

SWING PHI SWING

SOCIAL FELLOWSHIP, INC.®

September, 2016

OLA Sisters,

Hope that you enjoyed your summer and that this letter finds you well. It is always a blessing when we can come together to fellowship, celebrate excellence within our organization but most importantly to discuss the forward progression of Swing.

As we continue to strive for excellence we must remember that we are one – one sisterhood, one SWING regardless of how or when we became members of this beloved organization. We must all be committed to our overall mission and vision to promote leadership, academic excellence, community involvement and civic and cultural consciousness.

The time is near for the 2016 Graduate & Undergraduate Symposium ***Sisi Ni Moja; We Are One!*** which will be held in Norfolk, Virginia on **October 27-30, 2016** in tandem with the Norfolk State University homecoming weekend. We are excited to be participating in campus activities and will affirm our promise to academic excellence by awarding scholarships to NSU female students.

Additionally we will conclude the National Meeting Part II to be facilitated by Madame President Dr. Leone Lettsome. This session will include all executive officer reports and a vote on the undergraduate bylaws. ** Chapters are required to send forth at least two representatives to remain in compliance, failure to do so may result in ROP restrictions, fines and/or chapter suspensions.* Representatives should bring their Swing Black Books (v 4.0) for reference and their laptops/tablets for this working session.
